Experience

Concept Artist

(2022-Present)

★ High School Overdrive

- Created character concepts in multiple angles for video game. Worked with feedback and revisions.

Freelance Illustrator

(2019-Present)

★ Producing original artwork to fulfill client requests.

★ Illustrating character prints for various voice actors in the video game and animation industries, to be sold commercially for autograph signings online and at in-person conventions.

Collaborative Projects

(2019-Present)

★ Met deadlines, went through revisions, and worked in a team setting to create illustrated artwork for "Genshin Tarot," a fully functional board game and tarot deck that was sold commercially.

★ Contributed character illustrations to various independent magazines such as: "Beneath the Banner," "Psynchin in the ZaiNE," "Eunoia"
